HACCP International certifies the flooring systems listed above as food-safe and suitable for food handling facilities that operate in accordance with a HACCP based food safety programme.

The flooring materials must be installed by a competent, trained installer in compliance with the manufacturer's instructions and recommendations.

Licence Commencement 02 November 2019

Certificate Issue Date 27 November 2019 

HACCP International's evaluation and certification is strictly confined to matters of food safety or the operation of a HACCP based food safety programme. Whilst all reasonable care is taken by HACCP International in its evaluation of the product(s) or services(s) described herein, HACCP International does not guarantee that every food safety risk in every application has been identified. No guarantee is offered or implied in the issuing of this statement.

**Licence Agreement**

BASF Construction Chemicals is licensed to use the HACCP International certification mark, in accordance with HACCP International's Certification Trade Mark Rules and Conditions in All Regions (Global) in respect of the products listed above, for a period of 24 months from the licence commencement date BASF Construction Chemicals is in receipt of the HACCP International Pty Ltd Certification Trade Mark Rules and Conditions v3.0 and agrees to abide by the conditions therein.
